

DIRECTIONS to Hackensack River County Park (behind the *Shops at Riverside*):

The Shops at Riverside is located at the intersection of Route 4 and Hackensack Ave. in Hackensack.

The easiest approach is from Route 4 West - you cross over the Hackensack River and pass a Lukoil gas station - the first entrance to the mall is IMMEDIATELY after this gas station - enter the mall parking lot here - stay to your right, and follow signs for the parking deck (older deck attached to back of mall), lower level (you may also see signs for the park at this point) - go into the bottom level of the parking deck and work your way left and back - you'll see the park right in front of you, and that's where we'll be - just look for the cleanup trailer, tent and canoes.

If you are traveling on Route 4 East, you should take the 2nd Hackensack Ave. exit, go to the first light and turn right into the mall.

Basically, whether you enter the mall from Route 4 or from Hackensack Ave., you want to head for the back of the mall, head for the lower level of the older parking deck that is attached to the back of the mall and go straight to the back. You can't miss us, but feel free to call 201-832-9432 if you do!
