

DIRECTIONS TO OVERPECK COUNTY PARK IN LEONIA

The River Cleanup will be held on the north side of Fort Lee Rd. (DeGraw Ave.), next to the road, at the riverbank (by the dog park)– just look for the white tent and the Hackensack Riverkeeper trailer.

Coming South on Teaneck Road (from Teaneck, Bergenfield, Dumont area) – Turn left onto DeGraw Avenue (which turns into Fort Lee Road) toward the NJ Turnpike entrance. Pass Turnpike entrance, go over bridge and you will see us on your left. Turn left at the far end of the park, before the railroad tracks and park in the first section – walk across field toward river.

Coming North on Teaneck Road (from Teaneck, Ridgefield Park area) – Turn right onto DeGraw Avenue (Fort Lee Road) toward the NJ Turnpike entrance. Pass Turnpike entrance, go over bridge and you will see us on your left. Turn left at the far end of the park, before the railroad tracks, and park in the first section – walk across field toward river.

Coming North on Grand Avenue (from Leonia, Englewood area) – Turn left onto Fort Lee Road. Go through one light, cross over railroad tracks and turn right into the park. Park in first section and walk across field toward river.

Coming South on Grand Avenue (from Leonia, Palisades Park, Ridgefield, North Bergen area) – Turn right onto Fort Lee Road. Go through one light, cross over railroad tracks and turn right into the park. Park in first section and walk across field toward river.

Coming from Hackensack – Take the Midtown Bridge (Salem Street/Midtown Bridge Approach Road – by the Ice House and the bowling alley) across the river. Go straight – becomes Main Street in Bogota and then DeGraw Avenue/Fort Lee Road in Teaneck. Pass Teaneck Road, pass NJ Turnpike entrance, go over bridge and you will see us on left. Turn left at far end of park, before the railroad tracks, and park in the first section. Walk across field toward river.

Coming from GW Bridge/Fort Lee – Take Main Street/Fort Lee Road west through Leonia. Pass Broad Ave. and Grand Ave., go through one light and over railroad tracks. Make right into park. Park in first section and walk across field toward river.

Coming North on NJ Turnpike – Pay toll at 18E or 18W. Route 80 will split off – stay on 95. The two Turnpike spurs will come together and then you will pass exits for Route 46, then Challenger Boulevard, then take the exit for “Teaneck, Leonia”. Then take the exit for just “Leonia”. Merge onto Fort Lee Road, get into left lane (you will see us on left), and make a left at the far end of the park, before the railroad tracks. Park in the first section and walk across field toward river.

Coming South on 95 (Turnpike) – Take the “Teaneck/Leonia” exit. I believe this drops you out onto Fort Lee Road, going the wrong way, so you have to pass the light at Glenpointe (hotel complex on your right), then bear/turn right into the U-Turn jughandle, which brings you back to the light at Glenpointe. Make left at light onto Fort Lee Road, pass Turnpike entrance, go over bridge, and you will see us on your left. Turn left at the far end of the park, before the railroad tracks, and park in the first section. Walk across the field toward river.

Coming East on 46 – Bear right at NJ Turnpike entrance/Teaneck Road in Ridgefield Park. Stay right for Teaneck Road, go around ramp. Turn right onto Teaneck Road. Continue into Teaneck and follow directions for “Coming North on Teaneck Road”.

Coming East on 80 – Pass exit for Hudson Street in Hackensack, pass exit for Ridgefield Park, then the NJ Turnpike/95 South will split off to the right. Stay on 80. Take the next exit for “Teaneck/Leonia”. Merge with other traffic and get right to take the exit for “Leonia”. Merge onto Fort Lee Road, get in left lane (you will see us on the left) and turn left at the far end of the park. Park in the first section and walk across the field toward river.
