Hackensack RIVERKEEPER Paddling Center @ Laurel Hill Park

Some tips to make your Moonlight Guided Paddle more safe and enjoyable

FIRST, BE SURE TO ARRIVE AT LEAST 30 MINUTES PRIOR TO YOUR TRIP’S START TIME!

➡️ Here are some things to bring:

1. CLOTHING APPROPRIATE FOR THE WEATHER. Temperatures are often 5-10° cooler on the water but you’ll build up heat as you paddle. If it’s on the cooler side, we suggest a lightweight long-sleeve shirt and weather-appropriate outerwear. It’s best to wear close-toed shoes on cooler evenings. Swimsuits, light t-shirts and Teva®-type sandals should be fine on warmer ones.
2. YOUR MOBILE PHONE. If you’re lost or running late, call the Center (201-920-4746) ASAP. FYI, you must have a phone with you while on the water – no exceptions.
3. SUNSCREEN. All paddlers can get direct sun and reflections off the water, even late in the day. Be sure to bring – and use – sunscreen, especially if you’re fair-skinned.
4. INSECT REPELLENT. Mosquitoes are rarely a problem, but gnats can be annoying, especially in spring and early summer.
5. WATER. And plenty of it. Feel free to pack snacks as well. Alcoholic beverages are prohibited in Laurel Hill County Park and in our kayaks.
6. A WATERPROOF BAG. Place your phones, cameras, wallets, keys, etc. in a waterproof bag(s). We have a limited number of Dry Bags available to loan.

➡️ In addition to the boat(s), paddles and personal flotation devices (life jackets), we provide:

1. WHISTLE. It is to be used for emergency situations ONLY.
2. AERIAL PHOTOGRAPH. It will orient and guide you while paddling the river & marshes.
3. ORIENTATION AND LESSON. Whether you’re experienced or not, there is no escape.

➡️ Here are some additional pointers:

1. PERSONAL FLotation DEVICES. ALL paddlers must wear their USCG-approved PFDs at all times while on the water – whether you’re in our boat or your own.
2. CHILDREN. Due to the nature and additional risks of paddling at dusk and at night, ALL our Moonlight Paddles are adults-only events – no exceptions.
3. TIDES AND CURRENTS. It’s easy to underestimate the Hackensack – a deep, tidal river that flows in both directions. Many paddlers who have lake or upper Delaware experience don’t have experience paddling tidal waterways. Fortunately our Moonlight Paddles take place during easy-to-paddle incoming tides.
4. YOU WILL GET WET. Not to worry but you will probably get a little wet from splashes and paddle drips. We suggest you wear non-cotton clothing, especially in cooler weather.
5. WEATHER. We cancel Guided Paddles and close the Paddling Center due to rain, high wind, thunderstorms, heat advisory or credible threats of any hazardous conditions. If an event must be cancelled, we will contact all registrants no later than two hours before its scheduled start. If you have any doubts or concerns, call the Center at 201-920-4746.

➡️ Lastly, these tips refer specifically to our scheduled Moonlight Guided Paddles. For complete information about renting boats during regular daytime hours at Laurel Hill Park as well as our Overpeck Park Kayak Center in Teaneck, please check our printed Program Guide and the Eco-Programs pages on our website: www.hackensackriverkeeper.org.
