* Municipality lies PARTLY within
Hackensack River watershed and
partly within either the Hudson or
Passaic River watershed.
Some "sleuthing" may be needed to
confirm eligibility. (But we ARE talking
about very smart students, so...)

Regarding regional, parochial or
county high schools, if the **school is
located within** the Hackensack River
Watershed (e.g. Bergen Academies,
Academy of the Holy Angels, Hudson
County Schools of Technology,
Pascack Valley HS), where the
students reside is moot and they **are**
eligible.
